WORK EXPERIENCE

PwC Career Launchpad Program

Mar 2024 - June 2024

Participant

- Successfully completed industry-aligned courses, gaining practical skills and valuable insights relevant to professional environments.
- Acquired hands-on experience through real-world scenarios, strengthening technical expertise and honing analytical problem-solving abilities.

Asterisc Technocrat

July 2023 - Sept 2023

Website Development Intern

- Collaborated with the development team to design, build, and optimize user-friendly websites and web applications.
- Ensured seamless user experiences through responsive design, efficient coding practices, and rigorous testing.

Android Campus Fest

Feb 2022 - April 2022

Design Head

- Collaborated with team members to design engaging visual themes and layouts for both online and offline platforms, ensuring consistency and brand alignment.

PROJECTS

Forensic Sketch Creation and Recognition

- Currently developing and refining a system to generate and analyze forensic sketches for crime investigations using machine learning algorithms, aiming to significantly improve the accuracy of sketch-to-photo matching and aid in criminal identification.

Fruit Recognition and Calorie Estimation

- Developed a machine learning model using Random Forest and KNN for fruit classification and calorie estimation, achieving a 90% accuracy rate. Performed data pre-processing and feature engineering to optimize results.

Acoof Website

- Developed a responsive e-commerce website for journals and diaries using HTML5, CSS3, and JavaScript. Designed a clean user interface, implemented interactive product displays, and optimized for a seamless user experience.

SKILLS

- **Languages:** Java, SQL, HTML, CSS, JavaScript
- **Data Structures and Algorithms:** Proficient in JAVA
- **Tools:** ReactJS, MySQL, Figma, Canva
- **Website Development:** Experience in developing frontend websites
- **Other Skills:** Team Collaboration, Problem Solving, Critical Thinking

EDUCATION

B.Tech in Computer Science and Engineering (AI and ML)

2021 - 2025

Yeshwantrao Chavan College Of Engineering

8.20/10

HSC

2020 - 2021

Saraswati Junior College, Nagpur

94.17%

SSC

2018 - 2019

Wonderland High School, Nagpur

91.40%
